

The Word of God

... Gather My flock and tell them that the Lord, Jesus Christ has prepared the war. There will be a great war such as never before on earth. There will be a war against wicked people that neither they come to Me, nor they let you come to Me, and they put stumbling blocks into your way. Daniel, My man, tell to Israel to strengthen, as many Christians will fall into this war.

... Daniel, have a little more patience, as My man comes, the man of My country, (*King Michael, r.n.*), who left My country in great pain. So, I am going to lift him up, for he was humbled. Sons, when this man was on his chair, the little icon was everywhere; the cross was everywhere. But since he has no longer been, the cross has been abolished from everywhere. There are still some, here and there. You should know that in the time of the end, the cross will appear in the sky. Israel, do not be a people without the cross.

... Israel, son, in the war, which has been waged, only those escape, who have the cross at their window, or only the Christian, who has the cross on his neck. Many Christians have the cross on their neck, but they also have their loved girl into their pockets, in the picture, or they smoke.

Daniel, carpentry is worked in many positions and many mysteries and one cannot give the measure because the wave of this work comes with time. Shall I tell the time measure of today? What if the wave changes? Son, My work which is done here with this house has many rulers in heaven. The Lord speaks spiritually. This home which is made for you is being worked in heaven as well, and is being done in time after the wave. Do you believe this? It is as in the days of Noah. Then there were four families, but now no one knows how many they are. This program was given long ago, but no one in the holy heaven knows what kind of wave will be. Wait a little bit more and this thing will be revealed. Daniel, do not give thought to something wrong and do not say that the Lord does not know what He is doing. Carpenter be patient and do not force My vessel (*Virginia, the trumpet of the Lord, r.n.*) to give the measure without God's measure. And when you work be well armed with spiritual life; do not be faithless, and have no defiled sin.

... It has been prophesied that you should keep a dry fasting for three days; for casting away of the evil spirits and for strengthening of your bodies in your spiritual life, for your enemy destruction, for the fruit in your fallow lands, for health of your bodies and your spirit, for breaking, scattering and dismissal of the spells, for killing of witches, for winning of trials which many people bring you in. Did you hear? Amen. For clearance of lusts and sins, for killing of the unclean spirits. Let him who is sick and cannot fast, fast only half of day.

Make prayers. Sons, your fathers and ancestors made prayers in songs. Daughters and sons, where are your melodies? The book of Lord, Jesus Christ says, "*Sing a holy song*", for the ta-prooms roar with worldly songs. I met on My way a man who sang, "*I got a penny and I want to drink it!*"
