

The Word of God

Throw out what you keep into your pocket that is not pleased to God. Some of you have the stamp of the antichrist. (*The membership party card or your commitment to the Security, r.n.*) The time is coming when all man who has into his pocket this thing will wage war against God. If you say that you will not talk, you will still go, for they will take you after your file and they will put the gun into your hand. Sons, do not believe that some of you will escape being hidden, for all earth will be dug up and you will be found and destroyed. Sons, you will cry out: “*Master, do not destroy me as I was with you!*”, but I will not know you.
